- Single, adjustable brush
- Clear dome recovery and solution tank caps
- Faucet-fill built in for convenience
- Large 9 gallon solution tank and 7.5 gallon recovery tank
- On-board power for optional scrub wand and extraction tools

Markets

- Hospitality
- Institutional
- Commercial Spaces
- Health Care
- Retail

Accessories/Options

- Optional accessory tools for cleaning upholstery, stairways, underneath furniture and against walls
- Motorized ET extraction tool
- Optional scrub wand

Green Features

- Automatic float shut-off for long motor life
- Non-conductive operator control console
- Heavy-duty construction, long machine life
- CRI certified

General Overview

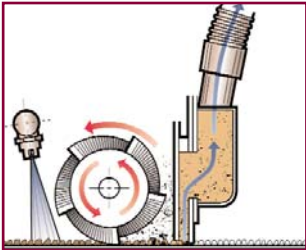

- The X17 sprays cleaning solution, a brush agitates and deep cleans the carpet and a heavy duty vacuum picks up the water all in one pass
- 17" cleaning path
- Ideal for use in offices, schools, hospitality, healthcare centers, retail outlets, malls, restaurants and government facilities

Productivity

- Faucet-fill function offers efficient filling of the solution tank
- Removable recovery tank has convenient dump hose that saves time and empties easily

Ease of Use

- Operator-friendly control panel makes it easy to operate
- Extractor has momentary and continuous spray features
- Easy glide vacuum shoe moves across carpet effortlessly
- Large 10" wheels for easy transport and maneuvering up and down stairs

Three spray jets force solution into carpet; independently powered brush deep cleans; and powerful vacuum picks up all the dirty solution to leave carpet clean and virtually dry.
